Please note: This list is subject to periodic change.

Certain benefit plans may exclude specific drugs on this listing. Prior authorization does not guarantee benefit payment. Please refer to your summary plan description to confirm coverage and exclusions.

Site of care redirection may apply to injectable drugs.

Gene Therapy Disclaimer: The UMR Recognized Gene Therapy list may vary from the FDA list of approved cellular and gene therapy products. While the UMR Medical Specialty Drug team utilizes the FDA approved cellular and gene therapy products list to guide our decisions on which therapies to include on our list it might vary based on the purpose, administration, and other criteria. This list is not all inclusive and is for informational purposes only.
